## TW M NK DFADV TRDTNL POLO OLC

ENGINEERED TO THE EXACT SPECIFICATIONS OF TIGER WOODS.

The Nike Dri-FIT ADV Tiger Woods Polo blends our most innovative materials with insights from Tiger Woods to create a piece that's built to perform at the highest levels of play. The result is a polo that's designed to help you move freely and stay dry during your most grueling rounds.

- Nike Dri-FIT ADV technology combines moisture-wicking fabric with advanced engineering and features to help you stay dry and comfortable. The incredibly breathable fabric is made with extra stretch that allows airflow, so the fabric doesn't cling to your skin.
- Created in collaboration with Tiger Woods, the fit, materials and design details are built to perform at the highest level of play. We used insights from Tiger to create a sleeve design that feels smooth and natural through your swing. The addition of underarm gussets gives you extra room to move.
- "Engineered to the exact specifications of Tiger Woods" is printed on the inside of the back hem. The TW logo is featured on the back, just below the collar.
- Concealed snap placket creates a sleek, low-profile look and feel.
- Back of the collar stand is perforated for extra breathability in this high-heat area.

### BE COLD-WEATHER READY—WITHOUT RESTRICTION.

The Nike Therma-FIT ADV Jacket is the latest in cold-weather innovation. The cutting-edge design pairs incredibly lightweight, supremely warm down insulation with a water-repellent finish that helps keep light rain and morning dew at bay. Thoughtfully crafted to complement the needs of the modern golfer, it has a 2-way zipper so you can address the ball without needing to de-layer, and sleeves that are made to reduce bunching through your swing.

- Nike Therma-FIT ADV technology combines heat-regulating fabric with advanced engineering and features to help keep you warm in cold-weather conditions. The design pairs small spots of bonding with lightweight down insulation to increase the loft of the insulation without decreasing your ability to move. A water-repellent finish helps you stay dry in wet weather.
- Raglan sleeves eliminate shoulder seams to increase comfort and reduce fabric bunching through your swing. The sleeves and upper back are made from lightweight woven fabric that stretches so you can move freely.
- The 2-way zipper lets you personalize your fit. A zipper guard at the top of the collar feels soft against your chin.
- 2 side pockets snap closed to secure your essentials. The pocket linings are brushed for extra warmth.

## M NK DF HYBRID SHORT

### MADE TO MOVE.

Move comfortably on and off the course in the Nike Dri-FIT Shorts. Stretchy fabric lets you line up your putts without restriction and a tacky waistband helps keep your shirt tucked in while you bend and swing.

- Dri-FIT technology helps keep you dry and comfortable.
- Stretchy woven fabric has a subtle texture on the inside to help keep the fabric from clinging to your skin.
- Repeating "Nike Golf" graphic on the inner waistband has a slightly tacky texture to help secure a tucked-in shirt.
- V-notch in the back of the waistband gives you extra stretch.

## W NK TFADV RPL HYPRDPT FZ JKT

BE COLD-WEATHER READY—WITHOUT RESTRICTION.

The Nike Therma-FIT ADV Jacket is the latest in cold-weather innovation. The cutting-edge design pairs incredibly lightweight, supremely warm down insulation with a water-repellent finish that helps keep light rain and morning dew at bay. Thoughtfully crafted to complement the needs of the modern golfer, it has a 2-way zipper so you can address the ball without needing to de-layer, and sleeves that are made to reduce bunching through your swing.

- Nike Therma-FIT ADV technology combines heat-regulating fabric with advanced engineering and features to help keep you warm in cold-weather conditions. The design pairs small spots of bonding with lightweight down insulation to increase the loft of the insulation without decreasing your ability to move. A water-repellent finish helps you stay dry in wet weather.
- Nike HyperAdapt technology pairs a vent along the back of the shoulders with stretchy fabric for extra mobility through your swing.
- 2-way zipper has a textured zipper pull so you can adjust your fit without taking off your glove. A zipper garage at the top of the collar feels smooth against your chin.
- Ribbed cuffs and hem help keep the jacket in place through your swing. The ribbing at the cuffs is incredibly soft.

### BE COLD-WEATHER READY—WITHOUT RESTRICTION.

The Nike Therma-FIT ADV Vest is the latest in cold-weather innovation. The cutting-edge design pairs incredibly lightweight, supremely warm down insulation with a water-repellent finish that helps keep light rain and morning dew at bay. Thoughtfully crafted to complement the needs of the modern golfer, it has a 2-way zipper so you can address the ball without needing to de-layer, and pockets that snap shut to keep your essentials secure on and off the course.

- Nike Dri-FIT ADV technology combines moisture-wicking fabric with advanced engineering and features to help you stay dry and comfortable. The design pairs small spots of bonding with lightweight down insulation to increase the loft of the insulation without decreasing your ability to move. A water-repellent finish helps you stay dry in wet weather.
- The modified racerback creates a low-profile fit that won't interfere with your swing. The design nests well over midlayers and polos.

### A WARM LAYER WITH A LEOPARD LINING.

Incredibly cozy and warm, the Nike Therma-FIT Repel Jacket is your new best friend in cold weather. Details like the tapered collar and extra stretchy fabric along the shoulders help you play at your best—even when you're layered up. And, if you decide to wear it unzipped, you can show off the subtle leopard print lining.

- Nike Therma-FIT technology helps manage your body's natural heat to help keep you warm in cold-weather conditions.
- Nike HyperAdapt technology pairs a vent along the back of the shoulders with stretchy fabric for extra mobility through your swing.
- Water-repellent finish helps keep you dry in wet weather.
- Synthetic insulation stays warm even when wet.
- 2-way zipper lets you customize your coverage. A button-down overlay helps keep the chill at bay.
- Side pockets and collar are lined with extra soft fabric for added warmth.

## W NK RPL ACE 2 IN 1 JACKET

### A LAYER FOR EVERYWHERE.

It's time to rethink your approach to layering. Pairing a cozy fleece vest with a slightly stretchy, water-repellent jacket, the Nike Repel Ace Jacket gives you exactly what you need to face ever-changing conditions.

Fashion-forward details, like a ruched neckline with a hidden collar and a quilted storm flap, keep you looking your best, whatever the weather.

- Water-repellent finish helps keep you dry in wet weather. The ruched neckline has a hidden collar that you can pop for extra warmth in cold conditions.
- This versatile design pairs a slightly stretchy jacket with a cozy fleece vest you can remove depending on whatever the day brings.
- Ruching and the hem and sleeve cuffs stretches for comfort while helping to keep the jacket in place while you move. A quilted storm flap on the jacket adds extra warmth and a thoughtful detail when you wear the jacket unzipped.

### THE BEST OF BOTH WORLDS.

Pairing the look of a skirt with the functionality of your favorite pair of shorts, the Nike Dri-FIT UV Ace Shorts give you the best of both worlds. The lightweight, pleated design has 4 pockets so you can keep your essentials close. And, thanks to a pair of inner shorts, you'll stay covered when you line up putts or run errands around town.

- Lightweight knit fabric stretches so you can move freely. Pleats in the fabric create the illusion of a skirt. Nike Dri-FIT technology moves sweat away from your skin for quicker evaporation, helping you stay dry and comfortable.
- 2 pockets on the side seams and 2 in the back give you plenty of room to store your essentials. The pockets are lined with mesh to reduce bulk.
- Inner shorts help you stay covered while you move and address the ball. A wide, mid-rise waistband hugs and supports your waist.

### MADE FOR EVERY MOMENT.

Play all day in the Nike Club Skirt. Every detail, from the placement of the pockets to the length of the inner shorts, was obsessed until we got it right. Coupled with lightweight, stretchy fabric, this is your new go-to skirt for any occasion.

- The inner shorts have flat seams that feel smooth against your skin. The absence of a front seam helps keep them from riding up and creates a clean look. A low-profile pocket on the right side of the shorts is angled slightly forward so it's easy to access your essentials.
- The waistband is designed to follow the natural contours of your body so the fabric won't pinch or pull your skin when you move. A zipper-free envelope pocket in the back helps keep your essentials secure.
- Lightweight fabric stretches with your body. Pleats give you extra room to move and let the skirt flow and flare as you bend and stretch.
- Inner shorts help you stay covered while you move.
- Breathable, rectangular gusset gives you extra room to move.

### Nike Air Zoom Infinity Tour Shield

WINTER'S WORST ENEMY.

The Nike Air Zoom Infinity Tour Shield is engineered to perform in cold and wet weather. Between the waterproof materials and innovative traction, it has everything you need to play 18 holes—or more!

- The water-repellent shroud and waterproof overlays help keep out water and make it easy to clean your shoes. A rubberized mud guard creates an extra barrier in wet or sloppy conditions.
- A full-length Zoom Air unit is stitched directly to the upper instead of being set into foam, so it responds to every step. 3 additional Zoom Air units—1 in the heel, 2 in the forefoot—give you extra bounce on the course.
- Locking, ergonomically shaped zippers make it easy to take the shoes on and off while wearing your gloves. The stretchy sleeve and bungee closure let you dial in your fit.
- Piston spikes and a data-informed traction pattern give you exceptional grip. The spikes are placed under the 3 smaller Zoom Air units and are designed to compress with pressure for better energy return and added comfort throughout your round.

### Nike Air Zoom Infinity Tour Shield

WINTER'S WORST ENEMY.

The Nike Air Zoom Infinity Tour Shield is engineered to perform in cold and wet weather. Between the waterproof materials and innovative traction, it has everything you need to play 18 holes—or more!

- The water-repellent shroud and waterproof overlays help keep out water and make it easy to clean your shoes. A rubberized mud guard creates an extra barrier in wet or sloppy conditions.
- A full-length Zoom Air unit is stitched directly to the upper instead of being set into foam, so it responds to every step. 3 additional Zoom Air units—1 in the heel, 2 in the forefoot—give you extra bounce on the course.
- Locking, ergonomically shaped zippers make it easy to take the shoes on and off while wearing your gloves. The stretchy sleeve and bungee closure let you dial in your fit.

### Jordan ADG 3

#### THE PERFECT PAIR FOR EVERYWHERE.

Taking its cues from the Jordan 4, the Jordan ADG 3 is the perfect pairing of iconic style and golf performance. With responsive Zoom Air and infamous wing-shaped upper eyelets, they'll cushion and support your feet from the course to the concrete and everywhere in between.

- Celebrated details, like the wing-shaped heel tab and upper eyelets, and the "netting" on the tongue, bring the iconic look of the Jordan 4 to the course. Supple, premium leather is finished with a bold Jumpman on the tongue.
- A Zoom Air unit in the forefoot is springy and responsive. The soft foam midsole cushions every step. The Jumpman is featured on each sockliner.
- Integrated traction pattern gives you excellent grip in a variety of conditions. The Jumpman is featured under the forefoot.
- External heel counter helps stabilize your foot through your swing.
- Full-length sleeve wraps your foot for a secure, second-skin-like fit.

## Nike Air Max 90 G

### AN ICON REIMAGINED FOR THE COURSE.

The original Nike Air Max 90 was renowned for its clean lines and timeless style. The Nike Air Max 90 G stays true to the OG icon with a few updates made for golf, like integrated traction and a thin overlay that helps keep out water.

- A combination of fused overlays, additional eyestays and strategically placed mesh capture the look of the original Nike Air Max 90. The mesh has a thin, flexible overlay that helps keep out water and makes it easy to clean your shoes.
- A foam midsole and Max Air unit in the heel cushions every step.
- An integrated traction pattern gives you exceptional grip in a variety of conditions. The new design draws its inspiration from the iconic Waffle outsole on the original Nike Air Max 90.

### Nike Ace Summerlite

#### OUR MOST BREATHABLE GOLF SHOE TO DATE.

We brought it back and it's better than ever. The Nike Ace Summerlite updates the original mesh design with a thin, flexible layer that helps keep out debris. It even has a smooth, micro-suede lining that's so comfortable you can wear them without socks. Plus, the new integrated traction pattern keeps the design as lightweight as possible—without sacrificing grip.

- Lightweight, breathable mesh keeps your feet cool in warm weather. A thin, flexible overlay helps keep out debris.
- The full-length Fitsole insert and foam midsole give you soft cushioning with every step.
- A new integrated traction pattern places tooth-like traction along the perimeter of the shoe for extra grip without compromising comfort.
- With a design based on female foot morphology, this shoe has a shallower toe box, a tapered heel, a higher arch and an outsole that narrows through the arch.
- Tongue and collar are lined with smooth suede for extra softness.
